

The Mobile Disco Company

Weddings – Birthdays – Parties - Any Occasion

2 x Freelance DJs Required

Background

The Mobile Disco Company is a new venture, aiming to provide the Midlands with a Premier disco service. The Mobile Disco Company will cater for all events however big or small. What makes The Mobile Disco Company unique and different from the other 1000s of mobile disco setups? Well we have the foundations of over 20 years experience in the music and entertainment industry. Our Service will transform any function room into a complete disco, with lighting to wow any crowd, a sound system that makes a BIG impression and of course music spanning every possible genre and era. We aim to formally launch the business in April 2010 and are currently setting up the business, behind the scenes. We are looking for 2 x Freelance DJs to cover 1 Mobile disco outfit.

How it Works

We will:

- Run a website and a full marketing campaign
- Organise and manage bookings
- Provide a complete DJ Setup (sound system, mixer, 2 x laptops one for music the other for a DMX lighting Controller, portable hard drive containing all music, gantry, 4 x Moving head lights, 2 x flame lights, smoke machine + more)
- Contact the available Freelance DJ with details of bookings
- Provide a phonographic performance License and PL Insurance.

You Will:

- Be available for bookings 7 days a week and available for predominantly evening events.
- Collect DJ Equipment from Midland based depot
- DJ at the event (includes setup and De-Rig)
- Return equipment to the depot.

DJ Requirements

- Previous DJing / entertainment experience
- Be able to operate a laptop with Mixing software
- Must have access to a large car or estate that will fit all the DJ equipment in.
- Be available for evening work 7 days a week
- Be able to setup and de-rig the disco setup
- Midlands Based (Northamptonshire, Bedfordshire area)

Contracts & Pay

As a freelance DJ you will not be employed by The Mobile Disco Company. We will subcontract each DJ job to you. We will enter into a small contractual agreement for each booking that guarantees your services for that event. Tax and NI are the responsibility of the Freelance DJ. We will also require an inventory agreement for the use of our equipment and music. You will receive between 60% & 75% of the fee for each event. We will also agree a minimum event fee.
